DIVISION OF STATE PARKS
HAENA STATE PARK
KAUAI
ID# 2402

GENERAL SITE DESCRIPTION:

Haena State Park is located at the end of Kuhio Highway (Highway 56) on the northwestern shore of Kauai. Amenities at this facility include “wet caves” (ancient sea caves formed approximately 4,000 years ago), a comfort station, water fountain, outdoor showers, public telephone. This facility allows access to the beach where beach related activities like shore fishing and swimming are permitted. This is also the gateway and trailhead to the Na Pali Coast State Park

PROPOSED IMPROVEMENTS:

Location 1 – Comfort Station Area:

<u>Parking:</u>	Parking at this facility is an open unmarked parking area. One (1) van accessible parking area and one (1) regular accessible parking area will be provided.
<u>Accessible Routes:</u>	An accessible route connecting the accessible parking area to the comfort station, shower, water fountain and telephone will be provided.
<u>Comfort Station:</u>	The men’s and women’s restrooms will be made accessible.
<u>Outdoor Shower:</u>	The outdoor showers will be made accessible.
<u>Water Fountain:</u>	An accessible Hi/Lo water fountain will be provided.
<u>Public Telephone:</u>	An accessible public telephone will be provided.
<u>Emergency Telephone:</u>	A study will be conducted to determine the feasibility of providing a non-voice dependent accessible emergency telephone. An accessible route to the existing emergency telephone will be provided.

Location 2 – Wet Cave Area:

Parking: Parking at the wet cave is an open unmarked paved parking area. An accessible loading zone will be provided.

Location 3 – Overflow Parking Area:

Parking: The overflow parking area is an unpaved lot. Directional signage to the accessible parking area at Location 1 will be provided.

COST ESTIMATE/SCHEDULE:

Design	\$29,000	2003-2004
Construction	\$103,000	2004

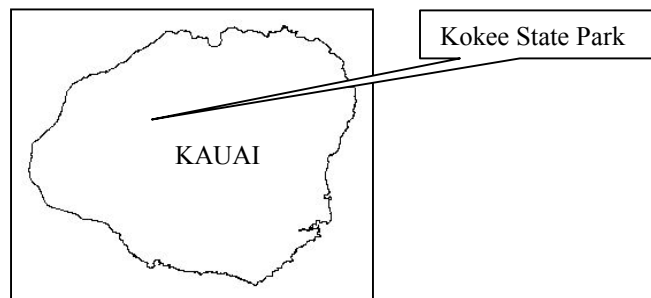

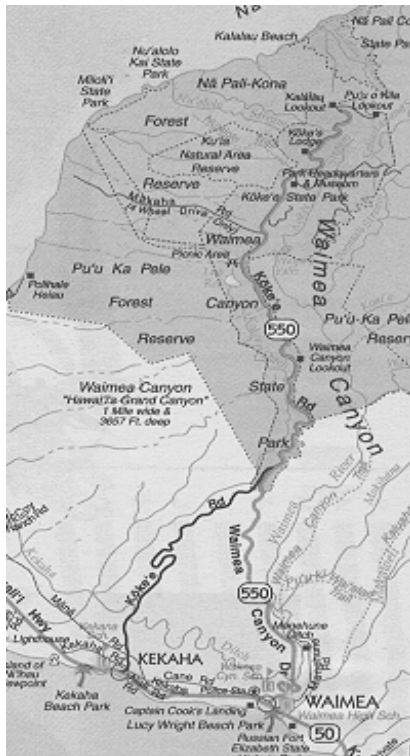

COMMENTS:

DIVISION OF STATE PARKS
KOEKE STATE PARK
KAUAI
ID# 2403

GENERAL SITE DESCRIPTION:

The Kokee State Park is located on Kokee Road (Highway 550) approximately 15 miles north of Kekaha on the island of Kauai. This facility offers hiking, picnicking, camping, cabin rentals, and lookout areas. A Museum, restaurant, comfort stations, public telephones, and water fountains are some of the amenities offered at this site. This park is approximately 4,345 acres.

PROPOSED IMPROVEMENTS:

Location 1 – Kalalau Lookout:

Parking:

A total of 16 stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided in a new location near the existing comfort station. Directional signage to the accessible parking will be provided at the existing parking lot. A study will be conducted to determine the feasibility of providing a bus loading zone.

Access Routes:

An accessible route connecting the parking with the comfort station and lookout area will be provided. An accessible ramp with railing to access the lookout will be provided. An accessible route to the picnic table is provided.

<u>Comfort Station:</u>	One (1) each men's and women's restroom will be made accessible.
<u>Lookout Area:</u>	A portion of the lookout area will be made accessible.
<u>Picnic Tables:</u>	Two (2) picnic tables are provided, one (1) will be made accessible.

Location 2 – Pu'u O Kila Lookout:

<u>Parking:</u>	A paved unmarked parking area is available, of which one (1) van accessible stall will be provided.
<u>Access Routes:</u>	Handrails and other improvements will be made to the maximum extent feasible. A feasibility study will be conducted to determine if the natural terrain conditions and aesthetic considerations can be mitigated.
<u>Lookout Area:</u>	The lookout area will be made accessible to the maximum extent feasible. Accessible handrails will be provided at the lookout area. (Kalalau Lookout accessible and provides similar views.)

Location 3 – Rental Cabins:

<u>Parking:</u>	An unpaved unmarked parking area is provided at each cabin. One (1) accessible stall will be provided at the designated ADA accessible cabin.
<u>Access Routes:</u>	An accessible route connecting the accessible parking and the duplex cabin will be provided. An accessible ramp with railing, to access the cabin, will be provided.
<u>Duplex Cabin:</u>	The kitchen (counter, cabinets & appliances), bathroom (shower, toilet & lavatory), and bedroom will be made accessible. Selection of cabin made in terms of accessibility due to uneven terrain.

Location 4 – Kokee Lodge and Museum:

<u>Parking:</u>	A total of 23 stalls are provided in an existing paved parking lot, of which two (2) van accessible stalls will be provided.
<u>Access Routes:</u>	An accessible route connecting the parking with the Kokee Lodge and the Museum will be provided. An accessible route to the picnic table is provided.

Kokee Lodge: The restaurant, restrooms, (one each men's and women's) and gift shop will be made accessible. An accessible ramp with railing will be provided to access the building.

Kokee Museum: The Kokee Museum will be made accessible. An accessible ramp with railing will be provided to access the building.

Picnic Tables: Picnic tables are provided at this facility; one (1) will be made accessible.

Location 5 – Pavilion:

Parking: A large unpaved unmarked parking area is provided. Two (2) van accessible stalls will be provided.

Access Routes: An accessible route connecting the parking and the pavilion will be provided. An accessible ramp will be provided to access the picnic table area.

Restrooms: One (1) each men's and women's restroom will be made accessible. Both sides will be converted into a single user toilet room.

BBQ Area: The BBQ area amenities will be made accessible, one (1) sink and one (1) picnic table.

Picnic Tables: Several picnic tables are provided within the pavilion, one (1) will be made accessible.

Location 6 – CCC Camp:

Parking: A total of eight (8) stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided to the maximum extent feasible. This is due to the excessive incline, which makes it infeasible to provide accessible cross slope.

Access Routes: An accessible route connecting the parking with the various buildings will be provided to the maximum extent feasible. Due to the excessive sloping terrain, infeasible to provide fully accessible routes to all buildings.

Mess Hall: The mess hall will be made accessible. An accessible ramp will be provided to access the building.

Workmen's

Quarters

(Dreamers) Cabin:

The cabin will be made accessible. An accessible single user toilet room with shower will be provided. An accessible ramp will be provided to access the building.

Camp Office:

The camp office will be made accessible. An accessible ramp will be provided to access the building.

Location 7 – Kokee Campsites:

Parking:

A total of 20 vehicle stalls are provided in an existing paved parking lot. One (1) van accessible parking stalls will be provided

Access Route:

An accessible route connecting the parking with the existing comfort station will not be provided. An accessible route to the camp area is provided. A study will be conducted to determine the feasibility of providing an accessible route to the existing comfort station. Directional signage to the nearest accessible restrooms (Location 5, Pavilion) will be provided.

Comfort Station & Showers:

The comfort station with interior showers is located on an elevated natural terrain. The restrooms & showers (men's & women's) will be made accessible.

Camp Area:

The camp area is located on natural terrain and at least one site is accessible. The campsites are located along an incline with the parking at bottom and the comfort station mid-slope between the campsites. The campsites are scattered about heavy vegetation.

COST ESTIMATE/SCHEDULE:

Design	\$168,000	2003-2004
Construction	\$473,000	2004-2005

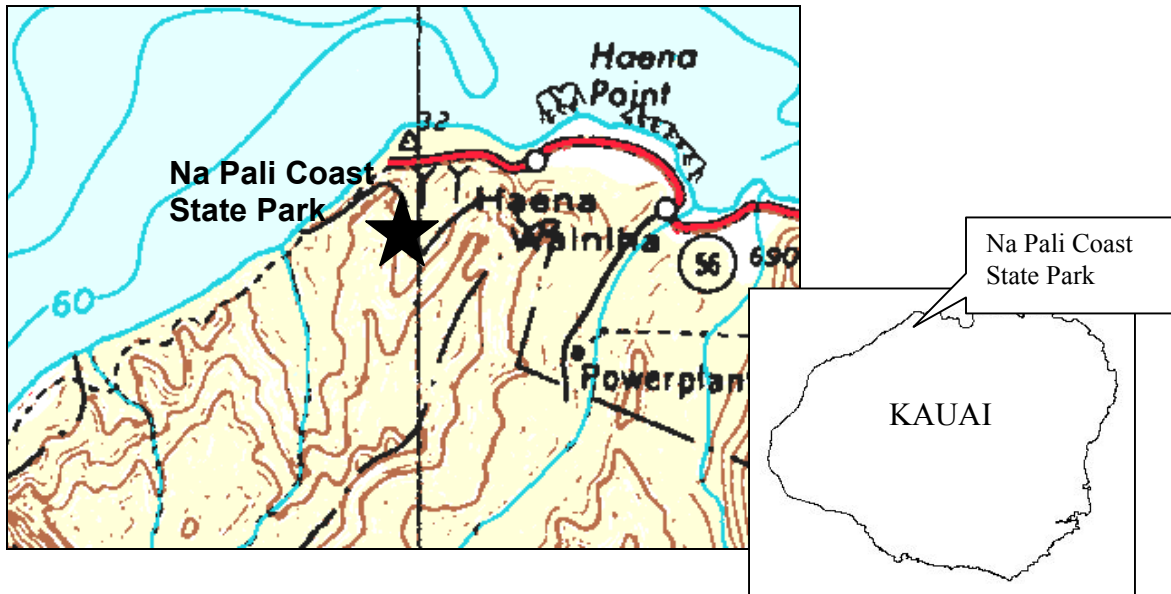

COMMENTS:

A master plan of the entire Kokee State Park is currently being prepared. This master plan should address accessibility throughout the park.

DIVISION OF STATE PARKS
NA PALI COAST STATE PARK
KAUAI
ID# 2404

GENERAL SITE DESCRIPTION:

Na Pali Coast State Park is located on the northwestern shore of Kauai. The trailhead for the Kalalau trail is at the end of Kuhio Highway (Highway 56) through Haena State Park. This facility offers hiking and camping with scenic views of sea cliffs, stream valleys, and waterfalls.

PROPOSED IMPROVEMENTS:

- Parking: Parking at this facility is an open unmarked parking area within Haena State Park. One (1) van accessible parking stall will be provided near the Kalalau Trailhead.
- Accessible Routes: All amenities up to the trailhead will be connected with an accessible route. Work along the trail will be deferred pending approval of the ADAAG for Outdoor Developed Areas.
- Kalalau Trail: The trail is not accessible, however an informational sign will be provided at the trailhead. Camping by permit is allowed at Hanakapiai Valley (2 miles) and Kalalau Valley (11 miles).

COST ESTIMATE/SCHEDULE:

Design	\$5,000	2003-2004
Construction	\$17,000	2004

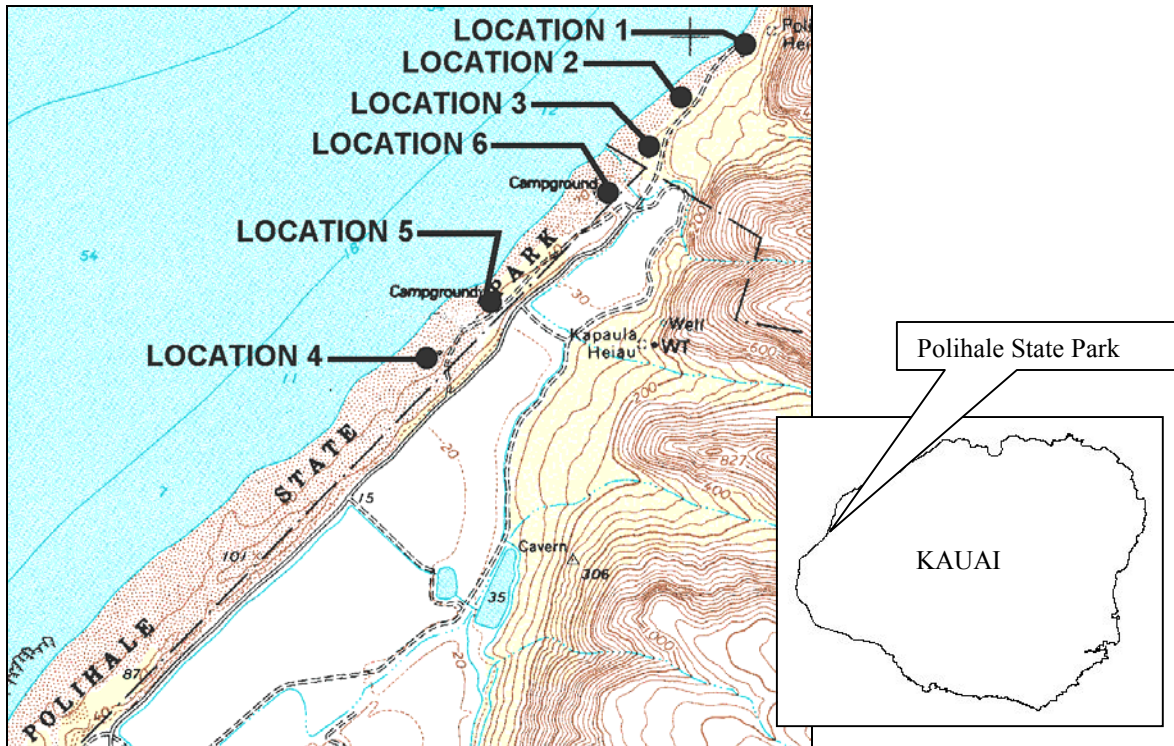

COMMENTS:

This is a primitive park where access is mainly by hiking along a narrow trail. Ocean access is limited due to exposed conditions with few safe landings.

DIVISION OF STATE PARKS
POLIHALE STATE PARK
KAUAI
ID# 2405

GENERAL SITE DESCRIPTION:

Polihale State Park is located at the end of a unimproved road off Kaumuali'i Highway (Highway 50) past the Pacific Missile Range Facility. Amenities at this facility include campsites, pavilions, comfort stations, outdoor showers, water fountains, and picnic tables.

PROPOSED IMPROVEMENTS:

Location 1 - Pavilion #1:

Providing directional signage to accessible pavilion. (Location 4, Pavilion #4)

Location 2 - Pavilion #2:

Providing directional signage to accessible pavilion. (Location 4, Pavilion #4)

Location 3 - Pavilion #3:

Providing directional signage to accessible pavilion. (Location 4, Pavilion #4)

Location 4 - Pavilion #4:

<u>Parking:</u>	Within the existing sand/gravel parking area, one (1) van accessible stall will be provided.
<u>Access Routes:</u>	An accessible route connecting the parking, pavilion, comfort station, water fountain, and shower will be provided.
<u>Comfort Station:</u>	One (1) accessible men's and women's restroom will be provided.
<u>Showers:</u>	One (1) accessible shower will be provided.
<u>Water Fountain:</u>	One (1) accessible water fountain will be provided.
<u>Pavilion:</u>	Existing pavilion includes two (2) picnic tables. One (1) accessible picnic table will be provided.

Location 5 - Campsite #1:

<u>Parking:</u>	Within the existing sand/gravel parking area, one (1) van accessible stall will be provided.
<u>Access Routes:</u>	An accessible route connecting the parking, comfort station, water fountain, and shower will be provided.
<u>Comfort Station:</u>	One (1) accessible men's and women's restroom will be provided.
<u>Showers:</u>	One (1) accessible shower will be provided.
<u>Water Fountain:</u>	One (1) accessible water fountain will be provided.

Location 6 - Campsite #2:

Providing directional signage to accessible campsite. (Location 5, Campsite #1)

COST ESTIMATE/SCHEDULE:

Design	\$53,000	2003-2004
Construction	\$175,000	2004-2005

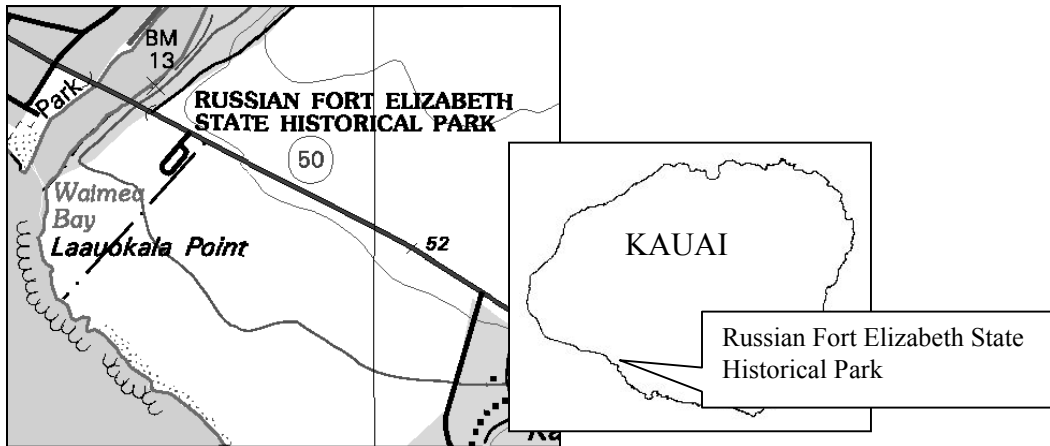

COMMENTS:

A sandy beach fronts the park, but due to high surf, unpredictable currents, and absence of ocean safety personnel, water activities are not encouraged.

DIVISION OF STATE PARKS
RUSSIAN FORT ELIZABETH STATE HISTORICAL PARK
KAUAI
ID# 2406

GENERAL SITE DESCRIPTION:

The Russian Fort Elizabeth State Historical Park is located off Kaumuali'i Highway (Highway 50) west of Hanapepe in Waimea town, Kauai. This 17-acre State park offers a look into Russia's short-lived stay in the Hawaiian Islands from 1815-1817. Little remains of the fort. Amenities offered at this site include a comfort station, water fountain, and a public pay telephone.

PROPOSED IMPROVEMENTS:

Parking:

There are 18 existing parking stalls provided in one paved lot. A van accessible stall will be provided. An accessible bus passenger-loading zone will also be provided.

Accessible Route:

An accessible route from the parking and loading zone area to the informational kiosk will be provided.

Comfort station:

One (1) each men's and women's accessible restroom will be provided. An accessible water fountain will be provided.

Information Kiosk:

An accessible pedestrian access way will be provided from the parking lot.

COST ESTIMATE/SCHEDULE:

Design	\$20,000	2003-2004
Construction	\$56,000	2004

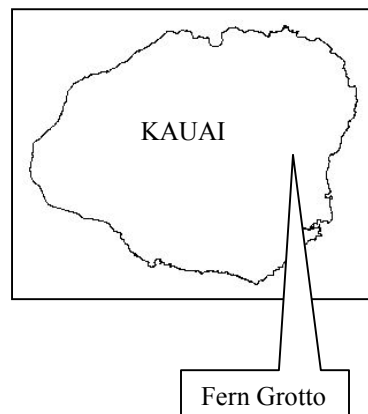

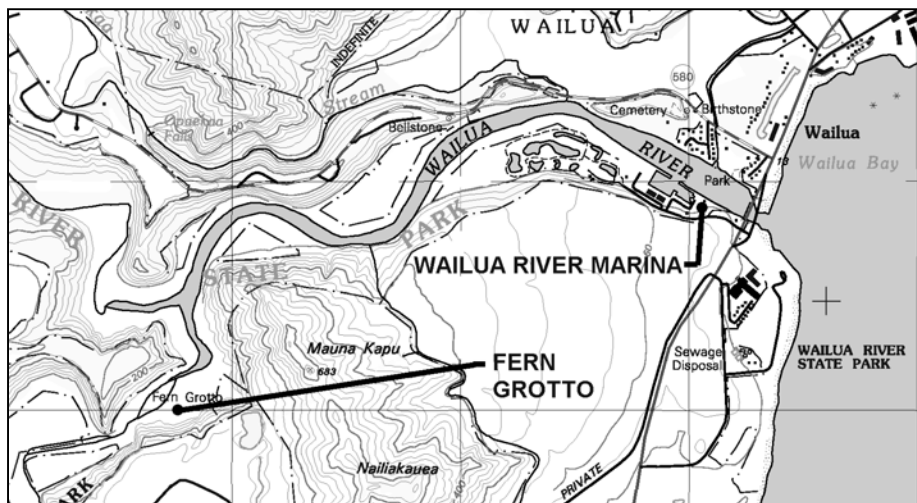

COMMENTS:

The fort is listed under the National and State Register of Historic Places. Physical modifications to remove barriers would destroy the historic structural significance of the facility. Detailed information about the fort is provided at the informational kiosk.

DIVISION OF STATE PARKS
WAILUA RIVER STATE PARK – FERN GROTTO
KAUAI
ID# 2407

GENERAL SITE DESCRIPTION:

The Wailua River State Park consists of many distinct areas. Each area was given a different ID# due to separation and consists of the Wailua River Marina, the Fern Grotto, and the facilities along Kuamo'o Road. The Fern Grotto is located along the Wailua River and is not accessible by automobile. Riverboat cruises (by private vendors) to the Fern Grotto are offered at the Wailua River Marina. Amenities at Fern Grotto include a comfort station, a paved loop trail, a stage area, and the fern grotto caves.

PROPOSED IMPROVEMENTS:

- Pier: The pier is accessible. The tour boat vendors will be notified of their responsibilities.
- Access Routes: An accessible route connecting the pier to the comfort station will be provided. A study will be conducted to determine the feasibility of providing an accessible route to a stage show area.
- Comfort Station: The existing men's and women's restroom are accessible.
- Stage Show Area: The existing stage area is extremely elevated and inaccessible. A study will be conducted to determine if an accessible area can be provided to view the show.
- Fern Grotto Cave: The Fern Grotto Cave is elevated and a study will be conducted to determine the feasibility of making it accessible.

COST ESTIMATE/SCHEDULE:

Design	\$80,000	2003-2004
Construction	\$477,000	2004-2005

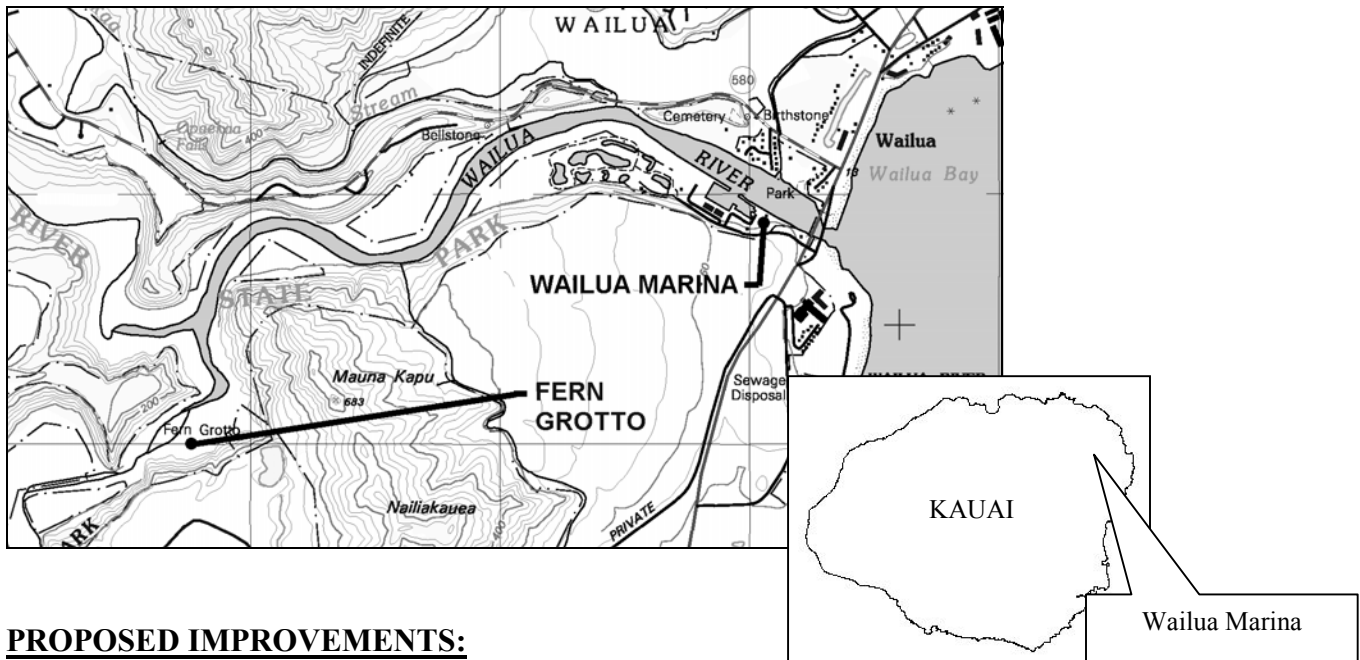

COMMENTS:

The Fern Grotto area is accessible by tour boat from the Marina or by kayak from the Kaumualii Area (Site ID# 2409, Location 1, Kaumualii Area).

DIVISION OF STATE PARKS
WAILUA RIVER STATE PARK - WAILUA MARINA
KAUAI
ID# 2408

GENERAL SITE DESCRIPTION:

The Wailua River State Park consists of many distinct areas. Each area was given a different ID# due to separation and consists of the Wailua Marina, the Fern Grotto, and the facilities along Kuamo'o Road. The Wailua River Marina is located just off Kuhio Highway (Highway 56) approximately 7 miles north of Lihu'e on the island of Kauai. Amenities at this facility include a restaurant, restroom facilities, a gift shop, boat tours to Fern Grotto by private vendors, public telephones, water fountains, and paved parking lot.

PROPOSED IMPROVEMENTS:

Location 1 – Building “C” (Maintenance Facility)

<u>Parking:</u>	A total of seven (7) stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided.
<u>Access Routes:</u>	An accessible route connecting the parking and building “C” and the water fountain will be provided.
<u>Restrooms:</u>	One (1) each men's and women's restroom will be made accessible. An accessible shower, one (1) in each restroom will be provided.
<u>Water Fountain:</u>	An accessible water fountain will be provided.

Location 2 – Boat Dock Area (Adjoining Buildings A and B)

<u>Parking:</u>	A total of 34 stalls are provided in an existing paved parking lot. Two (2) van accessible stalls will be provided. A bus loading zone will be provided.
<u>Access Routes:</u>	An accessible route connecting the parking and the boat slips will be provided.
<u>Boat Slips:</u>	A total of 11 boat slips, mainly to the two concessionaires, are provided; two (2) will be made accessible.

Location 3 – Buildings “A” & “B” (Restaurant and Boat Tours/Sundries)

<u>Parking:</u>	A total of 67 stalls are provided in an existing paved parking lot. Three (3) accessible stalls will be provided; at least one (1) shall be van accessible.
<u>Access Routes:</u>	An accessible route connecting the parking and both buildings, the water fountain and public telephones will be provided. An accessible route to the tour boat docks will be provided via an accessible switchback ramp.
<u>Building “B”:</u>	The restaurant and the men's & women's restrooms will be made accessible.
<u>Building “A”:</u>	The two (2) tour ticket counters will be made accessible. The restrooms are not accessible and directional signage to Building "B" accessible restrooms will be provided.
<u>Water Fountain:</u>	One (1) accessible water fountain will be provided.
<u>Public Telephones:</u>	Two (2) public telephones are provided; both will be made accessible.

COST ESTIMATE/SCHEDULE:

Design	\$45,000	2003-2004
Construction	\$148,000	2004

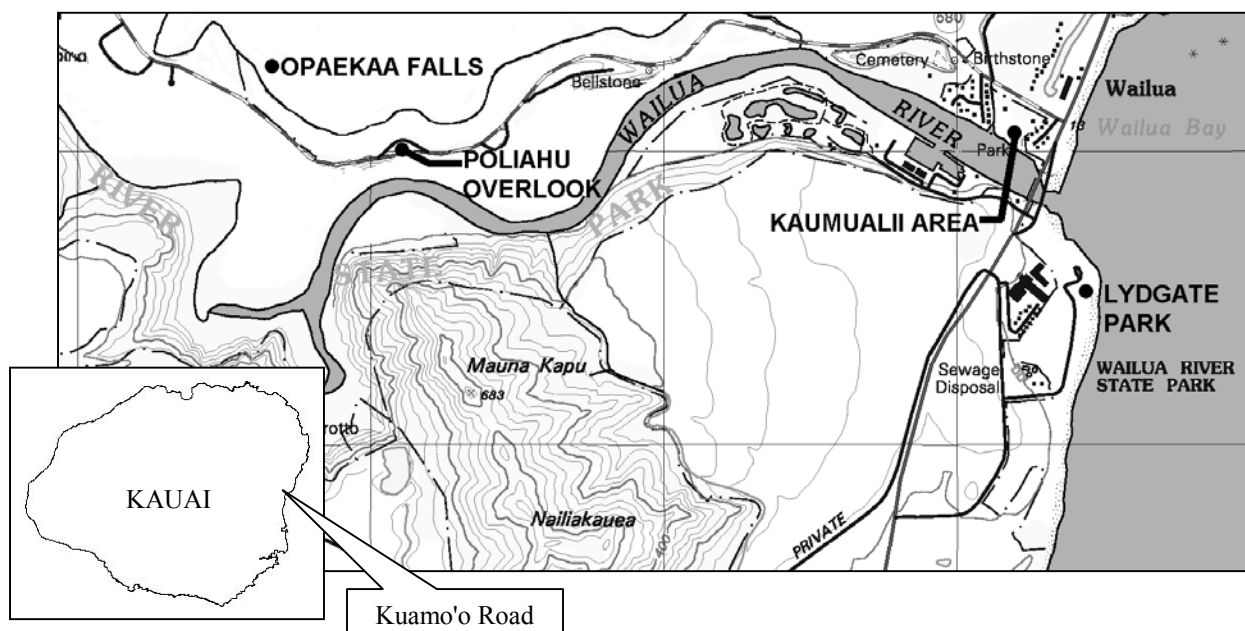

COMMENTS:

There is a ground level change between buildings A and B, and the Boat Dock area, which may necessitate accessible access from lower parking area.

DIVISION OF STATE PARKS
WAILUA RIVER STATE PARK – KUAMO'O ROAD
KAUAI
ID# 2409

GENERAL SITE DESCRIPTION:

The Wailua River State Park consists of many distinct areas. Each area was given a different ID# due to separation and consists of the Wailua River Marina, the Fern Grotto, and the facilities along Kuamo'o Road. The facilities along Kuamo'o Road are located off Kuhio Highway (Highway 56) approximately seven (7) miles north of Lihu'e on the island of Kauai. The individual sites include Opaekaa Falls, Poliahu Overlook, the Kaumualii area, and Lydgate Park. Amenities at these facilities include comfort stations, water fountains, picnic tables, and paved parking lot.

PROPOSED IMPROVEMENTS:

Location 1 – Kaumualii Area

- Parking: A total of six (6) stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided.
- Access Routes: An accessible route connecting the parking with the comfort station, water fountain, and picnic tables will be provided.
- Comfort Station: One (1) each men's and women's restroom will be made accessible. Both restrooms will be converted into single user toilet rooms.
- Water Fountain: An accessible water fountain will be provided.
- Picnic Tables: A total of three (3) picnic tables are provided; one is accessible.

Boat Ramp: A boat ramp and access to Wailua River is provided at this location.

Location 2 –Opaekaa Falls

Parking: A total of 11 stalls are provided in an existing paved parking lot. One (1) van accessible stall will be provided. A bus loading zone will be provided.

Access Routes: An accessible route connecting the parking and comfort station will be provided.

Comfort Station: One (1) each men's and women's restroom will be made accessible.

Comment: A study will be conducted to determine the feasibility of providing access to lookout across the street from the Opaekaa Falls lookout.

Location 3 – Poliahu Lookout

Water Fountain: An accessible water fountain will be provided.

Cultural Feature: There is a heiau, drive-through overlook with interpretive signage, and an unimproved area with trail to the birthing stones.

Location 4 – Hikinaakala Heiau /Lydgate Park (Historical Area)

Water Fountain: An accessible water fountain will be provided.

Cultural Feature: There are remnants of a heiau and petroglyphs which will not be made accessible.

COST ESTIMATE/SCHEDULE:

Design	\$37,000	2004
Construction	\$98,000	2004-2005

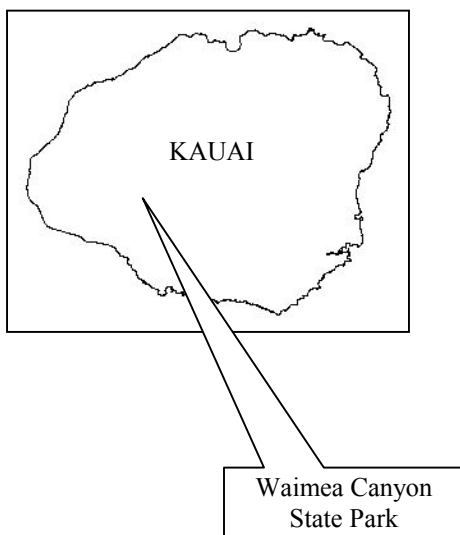

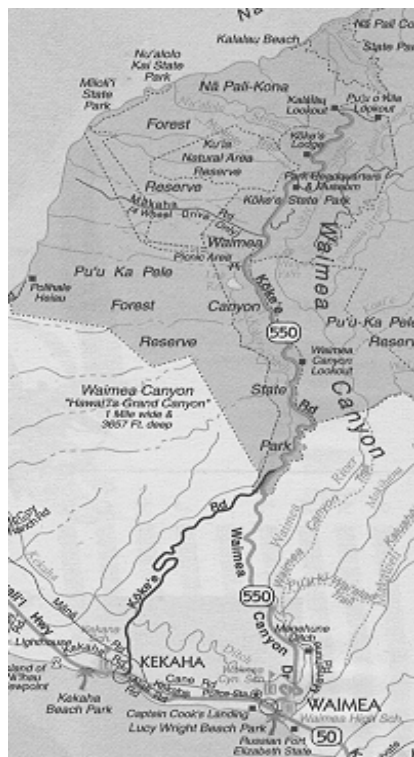

COMMENTS:

Wailua River State Park encompasses a large area along Wailua River from the mouth (Lydgate Historical Area) to over a mile inland at Opaekaa Falls and Fern Grotto. Lydgate Park recreational improvements were transferred to the County of Kauai.

DIVISION OF STATE PARKS
WAIMEA CANYON STATE PARK
KAUAI
ID# 2410

GENERAL SITE DESCRIPTION:

Waimea Canyon State Park is located 11.1 miles north of Kekaha on Kokee Road and adjoins Kokee State Park. The canyon measures 10 miles long, 1-mile wide, and more than 3,500-feet deep. Scenic lookouts are provided along Waimea Canyon Road. Wildland picnicking and a nature trail is provided within the park.

PROPOSED IMPROVEMENTS:

Puu Hinahina Lookout

Parking:

A total of 16 stalls are provided in a paved lot. One (1) van accessible stall will be provided. A study will be conducted to determine the feasibility of providing a bus loading zone.

Access Route:

An accessible route connecting the new accessible parking location to Puu Hinahina lookout will be provided.

Comfort Station:

The existing comfort station is periodically opened when the cesspool is operational. Directional signage to a nearby accessible comfort station at Waimea Canyon lookout will be provided.

Waimea Canyon Viewpoint
(Puu Hinahina Lookout):

An accessible ramp will be provided to access the Waimea Canyon Viewpoint (Puu Hinahina lookout) area. Accessible handrails at the stairs will be provided.

Niihau Viewpoint:

The existing route to the Niihau Viewpoint is along steep terrain. Accessible handrails will be provided and a feasibility study will be conducted to see if an accessible route is possible.
